

RECREATIONAL

Anywhere in Middlesex Centre provided proper clearances can be maintained (See below).

Fire must be contained within appropriate device or confined area.

Anytime

But please be neighbourly! If smoke from your fire disrupts your neighbours you will have to extinguish it.

✔ Clean, dry wood - untreated and unpainted

- ✔ Responsible Adult
- ✔ Has acceptable means of extinguishment available.

- ✔ Fire must be supervised at all times, and extinguished before leaving.
- ✔ No burning allowed during 'High Risk Periods' as declared by the Fire Chief or 'Poor Air Quality Days' as declared by Environment Canada

NO

But please be neighbourly! If smoke from your fire disrupts your neighbours you will have to extinguish it.

Open Air Burn Bylaw

This pamphlet is to be used as a guide only. For complete details see the Municipality of Middlesex Centre By-Law Number 2010-028. In case of discrepancy between this guide and the bylaw the bylaw shall be taken as correct.

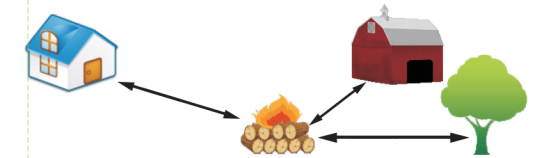

OPEN FIRE (Rural only)

Anywhere in Middlesex Centre except within the urban areas of Arva, Ballymote, Birr, Bryanston, Delaware, Denfield, Ilderton, Komoka, Kilworth, Melrose, Lobo, Poplar Hill/Coldstream and others. See by-law (available at www.middlesexcentre.on.ca) for exact location restrictions.

No size restrictions but fire remain controllable at all times with means of extinguishment readily available.

Distances to all combustible buildings, vegetation and property lines must be appropriate for the fire size and wind conditions.

Dawn to Dusk only

unless approved by the Fire Chief

✔ Clean, dry wood - untreated and unpainted

✔ NO leaves, grass, evergreen branches or waste to be burned - refer to by-law for details

Burning materials must be generated on landowner's property

- ✔ Responsible Adult
- ✔ Owner of property and materials to be burned
- ✔ Has acceptable means of extinguishment available.

- ✔ Fire must be supervised at all times, not left abandoned and extinguishment must be confirmed before leaving the area.
- ✔ No burning allowed during 'High Risk Periods' as declared by the Fire Chief or 'Poor Air Quality Days' as declared by Environment Canada

YES

Call Dispatch at **519-245-1300** immediately before you start the fire and immediately after it is extinguished.
