ASSUMPTION OF RISK

Middlesex Centre in collaboration with the Middlesex-London Health Unit continues to monitor the COVID-19 situation.

Users of Middlesex Centre's park system are reminded that these areas are available for use at your own risk and are not regularly sanitized. An inherent risk of exposure to communicable diseases including COVID-19 exists in any public place where people are present.

By visiting any parks and publicly accessible spaces you voluntarily assume all risks including any risk of injury, loss, damage and possible exposure to a communicable disease including COVID-19.

We remind you to follow the COVID-19 precautionary guidelines being recommended by various Canadian health authorities including the Middlesex-London Health Unit, Ontario Health, and the Public Health Agency of Canada.
