Note: A plan sketch showing extent and location of work must accompany this application.

Date of Work:

Start: _____ Finish: _____

General Conditions

1. It is the applicant's responsibility to inform Middlesex Centre, prior to beginning work, and after the work is completed and ready for Municipal inspection.
2. The applicant is responsible for the protection of existing cable, conduits, structures or other utilities from damage as a result of the work outlined in this request. Any damage occurring shall be immediately repaired to the satisfaction of the authority having jurisdiction over the damaged property.
3. Middlesex Centre does not guarantee that the selected location for construction is not in use by other utilities/services.
4. The applicant agrees that all proper signing and barricades shall be provided for traffic control, prior to beginning any work on the noted road allowance, in conformance with the "Traffic Control Manual for Roadway Work Operations" – latest edition.

We the undersigned applicant agrees to indemnify and render harmless Middlesex Centre from any and all claims arising as a result of the work for which this application was issued.
