

2022 Bridge Superstructure Replacement Notice

June 15, 2022

Dear Property Owner/Resident,

The Municipality of Middlesex Centre will soon be starting a bridge superstructure replacement project in your area. This letter provides details about the project with important information on how construction may impact you.

Project Details

Location(s): Ten Mile Road from Hyde Park Road to Wonderland Road, and Sixteen Mile Road from Richmond Street to Adelaide Street North

Tentative Schedule: Ten Mile Road over Oxbow Creek Bridge (B-124)
Tentative start date – early July, 2022
Estimated completion – late September, 2022

Sixteen Mile Road over Medway Creek Bridge (B-146)
Tentative start date – late September, 2022
Estimated completion – late November, 2022

Scope: Removal and replacement of existing bridge superstructure, including bridge deck, curbs, railings, and roadway paving at bridge site. Existing bridge abutments and footings to remain.

Contractor: Urbanlink Civil Limited

How will Construction Impact You?

Road Closures: The roadway will be fully closed to all traffic at each construction site for the full duration of construction.

Driveway and Field Access: Driveways and field access points will remain open to local traffic during construction.

Mail Services: Canada post will continue to deliver mail during construction. Canada Post will provide further notification and instructions for residents that may be impacted.

Garbage and Recycling Collection: If your pick-up point is temporarily blocked by construction the Municipality will assist in collecting and transporting your garbage and recycling.

Contact Information

If you have any questions about this project or questions once construction starts, please contact the undersigned. If there is a construction related emergency and there are no staff on-site to report it to then please contact the Municipal Office at (519) 666-0190.

If you have tenants, please notify them of this upcoming construction project.

Sincerely,

Andrew Giesen, C.E.T., PMP
Transportation Manager
